### ANNUAL MEMORIAL

Of Joseph Heiser Post G. A. R. Held Sunday Afternoon at Beechwood Park.

The annual memorial service under the supervision of the thirteen surviving members of Joseph Heiser Post G. A. R. was held at Beechwood Park Sunday afternoon. A good sized audience of the families, relatives and friends of the soldiers who have passed to their eternal rest and of the veterans who are still living were present to pay their respects to the honored dead.

Rev. H. B. Wilhoite, pastor of the First Baptist Church, preached the memorial sermon. He took as his subject "Single Hearted Soldiers," his text being found in 1 Chronicles 12:33—"Fifty thousand which could keep rank; they were not of double heart." His address was ably delivered and was inspiring and comforting. He developed his theme along three lines: First—Single hearted in war; Second—Single hearted in peace; Third—Single hearted in God. He compared the soldiers of the Civil War with the soldiers of David's army. The graves of the old soldiers will be decorated on Tuesday, Memorial Day, by the remaining veterans and the families of the deceased.

# An Amateur "Ad" Writer

is like an amateur performer in a home talent show—he doesn't know when the curtain is down. The "ad" writer for Squires-Brady Co. is just that way. He could say a whole lot about our mid-summer clothing and never get through—"The cleanest and most up-to-date line of summer clothing ever shown in Maysville." ### CAMPAIGN

To Praise \$10,000,000 For Widows of Ministers Is Authorized By Methodists.

Saratoga Springs, N. Y., May 26—Authorization of a campaign to raise \$10,000,000 for the pension fund for retired Methodist ministers and their widows was given today by the General Conference, which adopted a resolution continuing an effort begun eight years ago to provide an adequate competence for the clergy when they are too old for active work.

Four years ago the goal was set at \$5,000,000, but this amount was found to be insufficient. Plans were adopted designed to provide the necessary funds to finance the campaign. Authority was given to annual conferences to create a permanent endowment fund for local preachers.

The conference tonight voted down a proposal to remove the time limit of six years which now governs the term of a District Superintendent. It was proposed to substitute a one-year term with the privilege of reappointment by the Bishop. The plan was opposed by some of the speakers as "one of the most dangerous things that can come to Methodism," and as tending to build up "a great ecclesiastical machine."

A referendum vote was authorized to be taken during the next four years by the annual and lay electoral conferences on the question whether laymen shall be admitted to the annual conferences on terms of equality with the ministers, except on certain minority questions relating exclusively to the clergy. The vote was 489 to 73.

### PROTEST OF BANKERS

Avails Them Nothing With Kentucky Board of Valuation.

Frankfort, Ky., May 29—The tentative assessments of 100 per cent on the capital stock and 80 per cent on the surplus and undivided profits of banks in Kentucky was made final Friday by the State Board of Valuation and Assessment. The assessment was made at the last meeting of the board on the motion of State Treasurer Goodpastor as a compromise between an assessment of 100 per cent on the capital stock, the surplus and undivided profits and the customary 80 per cent.

Secretary of State Lewis held out for the 80 per cent assessment, because he is of the opinion that the book value of the stock generally would not justify a greater assessment. A large delegation of bankers representing every section of the state were present to protest against the assessment, but the board decided to make no change.

### PRESBYTERIANS ENTER PLEA FOR JEWS

Atlantic City, N. J., May 26—The General Assembly of the Presbyterian Church in the United States of America adopted a resolution today petitioning President Wilson to have the Federal Government participate in an international conference devoted to the purpose of alleviating the condition of Jews in Europe.

Dallas, Texas, was selected as the place of meeting for the 1917 assembly. The vote was 365 for Dallas and 269 for St. Louis. It was announced that it would cost \$25,000 more in mileage expenses to take the 900 Commissioners to Dallas than to St. Louis. To this the friends of Dallas replied that the Texas city would transport free of charge 500 Commissioners.
